

IGCSE COACHING GRADE 8, 9, 10 & A LEVELS

 **AGASTYA**
TUTORIALS

Teaching excellence for the leaders of tomorrow.

ABOUT AGASTYA TUTORIALS

“Agastya Tutorials is dedicated to providing outstanding IGCSE coaching. We offer excellent learning strategies and expert faculties to aid students. We believe and strive to provide innovative professional development that encourages our team to reflect and continuously examine our methods to provide quality teaching and learning for each student.”

INTRODUCTION

Since the IGCSE curriculum is an application-based board, it has been challenging for students and teachers over the past few years. Agastya Tutorials was established in 2018 with the goal of making learning easier for students.

At Agastya, we train the learners to be able to think practically and analytically. We train learners from grade 8 (checkpoint) to grades 9 & 10 (IGCSE) to grades 11 and 12 (A levels).

Every day, we work to improve each student's performance. We provide proper guidance and mentoring to our students allowing them to reimagine their academic success.

OUR MISSION

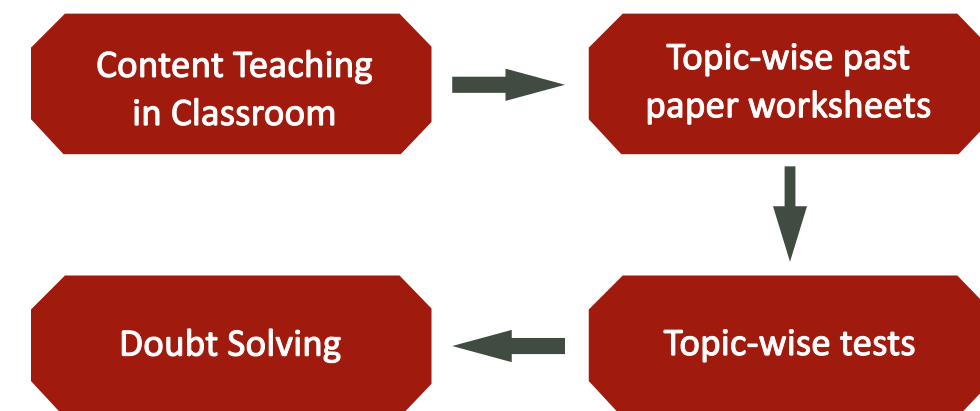

To provide quality learning with innovative teaching techniques; to motivate and train the learners to think practically & analytically. To build a strong base in each subject, thus preparing the learner to excel in whichever field they wish to make their future in.

OUR VISION

To establish ourselves as the best tutoring and learning institute for IGCSE and A levels.

WHY CHOOSE AGASTYA TUTORIALS?

- Learner centric teaching model
- Small batch size

- Topic-wise tests
- Highly qualified, trained & experienced Teaching faculty
- Personalised attention & regular doubt solving sessions
- Weekly Test & Quizzes to map learning progress of the learners
- Quarterly Parent Teacher Meet (apart from regular contact with parents through WhatsApp groups for lecture updates) so as to work as a team with parents to help the learner grow.
- Regular mentoring by the faculties
- Personal counselling sessions

OUR PILLARS OF STRENGTH & EXCELLENCE!

EXPERIENCED FACULTY

Mr. Anuj Pathak | Faculty for Chemistry

A computer engineer who has also completed his bachelor's degree in Science & Education has been teaching IGCSE board learners for the past 5 year now. Dedicated towards learner learning and improvement, he is a faculty at JBCN school, Dahisar. He has an incredibly positive attitude towards learner's learning and growth and is one the best motivators at Agastya Tutorials. He has been a part of Agastya since its inception in 2018.

Mrs. Kinjal Bajpal | Faculty for Biology

A certified molecular biologist & a dermatoglyphics counsellor who also holds bachelor's degree in Microbiology and is a career counsellor. Her vast and varied experience of teaching includes 10 years of teaching science at the state board level, 4 years of experience in teaching IGCSE, 4 years of experience as a content developer and an examiner for 15 years. She's been a part of Agastya since its inception in 2018.

Mrs. Swati Pingle | Faculty for ICT and Computer science

An experience of at least 10 years in teaching ICT to IGCSE board students, 17 years of teaching IT to HSC board students and 4 years of experience in ICSE board teaching, she is our technology go to person. She holds a bachelor's degree in Commerce and a master's degree in computer applications. Her dedication and preparedness to teach makes her an incredibly valuable faculty at Agastya tutorials. Her persistence in getting students prepared for greater than what is expected at IGCSE and A levels finals examination is a cherry on the topping.

Mr. Ninad Deshpande | Faculty for Mathematics and Physics

Apart from being the founder of Agastya Tutorials he's also an electronics and telecommunication engineer. He is an engineer by profession and a teacher by choice. He has been teaching IGCSE learners for the past 8 years now. He has been a teacher at various IGCSE and IB schools including Oberoi International School where he worked for 4 years. He's a certified IGCSE and 18 trained teacher and his passion for teaching led him to start this tutorial. He is a friend of the learner's and teachers both.

COURSES OFFERED

	Checkpoint	IGCSE	A levels
Duration	1 year	2 years	2 years
Syllabus	All topics of grades 6, 7 and 8	All topics of grades 9 and 10	All topics of grades 11 and 12
Examinations	At the end of grade 8	At the end of grade 10	Board exams at the end of both years.
Notes	-	Provided	-

General Lecture Schedule:

	Checkpoint	IGCSE	A levels
Maths	Twice a week (1.5hr each)	Twice a week (1.5hr each)	Twice a week (1.5hr each)
Physics	Once a week (1 hr)	Once a week (1.5 hr)	Once a week (1.5 hr)
Chemistry	Once a week (1 hr)	Once a week (1 5 hr)	Once a week (1 5 hr)
Biology	Once a week (1hr)	Once a week (1.5 hr)	Once a week (1.5 hr)
ICT/CS	-	Once a week (1.5 hr)	Once a week (1.5 hr)
Total number of days	5 days a week	6 days a week	6 days a week
